Econo Task Chair and Stool

An outstanding value that can provide years of service and comfort in a repetitive, task oriented environment. A single lever for seat and back angles makes settings easy, adjusting angles separately and locking in any position for ergonomic posture in any task.

Features:

- Pneumatic seat height adjustment
- Forward seat-tilt capability
- Infinite seat angle & tilt lock positons
- Back angle & height adjustment
- Arm height & width adjustment
- Waterfall seat front reduces leg pressure.
- Plastic outer back is standard
- Meets ANSI/BIFMA standards
- Optional stool model with adjustable footring and 17-3/4" to 25-3/4" seat height.
